

ENVIRONMENTAL POLICY

INTERTRANSLATIONS Ltd is committed to reducing the impact of its activities on the environment. We will strive to improve our environmental performance over time and to initiate additional practices that will further reduce our impact. Our commitment extends to our, staff, clients and the community in which we operate.

The key points of our strategy to achieve this are:

- ✓ Comply with the environmental regulations that apply to our company.
- ✓ Reduce paper and toner waste by avoiding to print documents for internal use and preferring paperless business when this is possible.
- ✓ Recycle waste paper.
- ✓ Recycle waste toner cartridges.
- ✓ Recycle batteries.
- ✓ Train our staff on our environmental program and empower them to contribute and participate.
- ✓ Communicate our environmental commitment and effort to our clients and our community.

I appoint Mr. D. Papazoudis, COO of INTERTRANSLATIONS as the Environment Officer of our company with the authority to implement our environmental strategy. Any results achieved will be reported to me. This present document will be communicated to all our staff and be publicly displayed in our company offices.
